EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Allowable Subject Matter

1. Claims 15-31 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The examiner found the applicant's argument filed 6/21/2005 persuasive and thus overcome the previously set forth rejection of claim 15. Further, no additional prior art has discovered that would either anticipate, or render obvious, the claim. Therefore, the applicant's invention of claim 15, when considered in its entirety, comprises a unique combination of elements that are neither taught nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
